

Sl. No	Items	Unit	Qty	Description	NG ENTERPRISE
2	Post script clutch	Each	1	all parts should be genuine, original	6200
3	Registration clutch	Each	1	all parts should be genuine, original	7230
4	Shifter motor	Each	1	all parts should be genuine, original	9200
5	Timing belt	Each	1	all parts should be genuine, original	5300
6	RD assembly	Each	1	all parts should be genuine, original	15300
7	Head cable	Each	1	all parts should be genuine, original	5200
8	Saperation solenoid	Each	1	all parts should be genuine, original	6700
9	Tower motor	Each	1	all parts should be genuine, original	13200
10	Fuser film	Each	1	all parts should be genuine, original	3200
11	Scanning data cable	Each	1	all parts should be genuine, original	2100
12	Paper exit sensor	Each	1	all parts should be genuine, original	1200
13	Timing belt	Each	1	all parts should be genuine, original	4200
14	Fuser unit paper delivery roller	Each	1	all parts should be genuine, original	17320
15	Fuser unit paper delivery sensor	Each	1	all parts should be genuine, original	15300
16	Main formatter logic card	Each	1	all parts should be genuine, original	7200
17	Duplex motor	Each	1	all parts should be genuine, original	9200
18	Paper feed solenoid	Each	1	all parts should be genuine, original	4100
19	Document cover sensor	Each	1	all parts should be genuine, original	2450
20	Thermostate	Each	1	all parts should be genuine, original	1800
21	Mannual feed empty sensor	Each	1	all parts should be genuine, original	1230
22	Paper switching solenoid	Each	1	all parts should be genuine, original	1820
23	Paper exit sensor	Each	1	all parts should be genuine, original	1430
24	Home position sensor	Each	1	all parts should be genuine, original	1760
25	Pressure roller	Each	1	all parts should be genuine, original	6500
26	Servicing charges (inclusive of installation, Repairing & troubleshooting)	Each	1	Servicing charges (inclusive of installation, Repairing & troubleshooting)	2000
027	Encoder clock sensor	Each	1	all parts should be genuine, original	3400

Note : Since the above being single bidder therefore evaluation committee are unable to compare the rate submitted for DTC for further recommendation and exmined in order to award for supply of goods

Evaluation Committee:-

Gobin Tamang (Chairman)

Electrical Engineer
Dagana Dzongkhag

Machi Pelha (Member Secretary)

Shivom Prkral (Member)

Sl. No	Items	Unit	Qty	Specification	NG ENTERPRISE
1	Photocopy Parts, Main motherboard	Each	1	Main motherboard	18200
2	Photocopy Parts, High voltage transfer (HVT)	Each	1	High voltage transfer (HVT)	14300
3	Photocopy Parts, Image processing (IP) board	Each	1	Image processing (IP) board	15300
4	Photocopy Parts, Scanning unit	Each	1	Scanning unit	13200
5	Photocopy Parts, Scanning cable	Each	1	Scanning cable	2430
